Welcome

Scottsdale Casa

Hello

We are so excited you are here!

It's a pleasure for us to share our home with you. We hope that you will have a very comfortable and enjoyable stay.

The house is perfectly located, we are only 2 miles away from Old Town Scottsdale where you will find some of the best restaurants, bars and shops! We are also close to the Botanical Garden, Casino, mall, museum and many golf courses.
Please feel free to help yourself to anything you can find in the refrigerator and in the pantry. Extra towels can be found under the bathroom sinks and in the closet next to the 2nd bathroom. In that same closet you will find extra blankets if needed. Most of the outdoor stuff such as pool towels, water toys and plastic dishes can be found in the white buffet in the dining room. Please help yourself to the washer and dryer at your convenience.

If you haven't already done so and would like book a massage, please message Jess through the Airbnb or VRBO app. Massages are an extra fee.
Feel free to use any television in the house. You have access to a dozen of channels and we offer Netflix, Pandora, CBS News and Youtube.
Also feel free to use the garage door opener, but please don't forget to put it back in the house when you leave.

Please relax and have a wonderful time!
Don't hesitate to contact me with any questions or concerns.

House rules

Smoking

Please do not smoke in the house. I do allow smoking outside, but please make sure to dispose of the butts responsibly .

Respect Our Neighbors

This is a quiet family oriented neighborhood so we would really appreciate if you can lower the noise level after **10pm**. We like our neighbors and we want them to like us too!

Trash / Recycling

Trash bins are located in the back alley. Just down the back door, in the back and you'll see the 2 big black containers on each side of the back alley.

The *recycling* bin is on the side of the house. Pick up is every Monday morning. If you can bring the bin to the curb Sunday night that would be very helpful.

I'm always more than happy to accommodate a late check out is possible.

If you can start the dishwasher that would be great.

Please make sure to leave the garage door opener in the house.
